[G.O. No. 25, 1929, I, p. 2].

No. 1945.—The Board of Commissioners for Hindu Religious Endowments has brought to the notice of Government that through the temple of Sri Sivaganesha, Palayamkottai at Palayamkottai and Sri Kalakshatri at Palayamkottai, Swamikal, Bharadwaj, the average annual gross income of each of which is below Rs. 100 and which are situated within the limits of the Hindu Religious Endowments Act, have been ordered by the Swamikal Estate with landed properties worth Rs. 25,000 and more, the major portion of the latter is still in the possession of the Estate and the rest in the enjoyment of trustees, with the result that there is no income to the temple at all. It is reported that the temple is consequently being performed in these temples from voluntary collections. The Board desires that if the temple are kept under its supervision and that of the Revenue District Temple Committee, their income would improve considerably and has accordingly suggested that all the properties of the Hindu Religious Endowments Act, 1924 (Act II of 1927), except section 10 (1) relating to the levy of contributions due to the Board, may be applied to these temples. Before taking further action in the matter, Government desire to ascertain whether any worshippers at these temples have any objection to sign against the proposal. If no valid objection is received within a month from the date of publication of this notification in the Revenue District Gazette, Government will proceed to pass orders on the recommendations of the Board.

Deputy Secretary to Government.

## AUCTION FOR THE SUPPLY OF MANUFACTURE ARTICLES TO THE DISTRICT JAIL, BERNAMPUR, CANNAM DISTRICT.

Notice is hereby given that the Superintendent, District Jail, Bernampur, will hold an auction at the District Jail, Bernampur, at 5 p.m. on Saturday

the 14th December 1929 for the supply of articles mentioned in Schedule A. Tenders (bidders are requested to be punctual. In the case of suppliers who may be unable to attend the auction, sealed tenders will be accepted, provided they reach the Superintendent, District Jail, Berhampur, on or before the last and the day mentioned above and are accompanied by the earnest money specified in the schedule. Tenders will be received in printed forms to be had free of cost on application, should be accompanied by Tender for the supply of articles to the District Jail, Berhampur. They will be opened at the time of auction and the rates offered should be along with the bids. The rates should be quoted in terms of pounds and shillings per dozen for delivery at the District Jail, Berhampur, the quantities being specified in words as well as in figures. Tenderers are also required to send samples of articles. Suppliers may bid on tender for all or any of the articles mentioned in the schedule on depositing the required earnest money. All supplies must be up to the samples accepted by them or approved by the Superintendent.

2. Tenderers are also invited for the supply of articles mentioned in Schedule B to the District Jail, Berhampur, and each tenderer will be received by the Superintendent, District Jail, Berhampur, on or before 1 p.m. on Saturday the 30th December 1929. Tenderers shall be accompanied as "Tender for the supply of goods to the District Jail, Berhampur" and shall be accompanied by samples of articles as also by the earnest money specified in Schedule B. Tenderers should definitely quote the prices of the articles for supply at the jail and for other articles.

3. Successful bidders or tenderers will be required to enter into a stamped agreement with the jail within seven days from the date of receipt of intimation by them that their bids have been accepted. In addition they should before signing such agreements deposit a sum of 10 per cent of the cost of the supplies undertaken. (With the approval of the Inspector-General of Prisons, the said earnest may be reduced in the case of approved manufacturers.) Failing compliance within the time specified, the earnest money may be forfeited and in the event of withdrawal, they will also be liable to pay any difference between the prices accepted and those ultimately obtained by the jail. The earnest money received from the successful bidders or tenderers will be taken towards their working deposits and these from which will be returned at the close of contract.

4. The Superintendent, District Jail, Berhampur, reserves to himself the right to accept or reject any bid or tender without assigning any reason whatsoever.

5. Contractors should not be sublet.

6. Any bids accepted and contracts entered into will be subject to confirmation by the Inspector-General of Prisons, Calcutta, whose decision shall be final in all questions of infringement.

7. As the quantities given against each article in Schedules A and B are only approximate, variations will be under an obligation to supply the entire requirements during the period of contract, viz., from 1st January 1930 to 31st December 1930 plus or minus as may be needed to last for a whole month thereafter, provided, in respect of the extra quantities, that written orders are given within a fortnight of the termination of the agreement. As the same time, the Superintendent does not bind himself to receive the quantities or articles noted in the two schedules if they are not required.

8. No article is to be supplied to the jail except on a requisition signed by the Superintendent, or some responsible person authorized by him to be writing to do so 'by order'.

9. No advance of cash will on any account be made to the contractors when giving orders, nor

will the jail pay freight or other charges on consignments to be afterwards delivered from bills, but payment of the cost of articles delivered to the jail will be promptly made when they have been inspected and passed. Contractors must submit to receive payments of their bills in whole or in part and some forwarding part of the same due on each bill will be dispatched unless they constitute a finance equivalent to half price or more, when they will be treated as whole prices for the purpose of the contract.

10. Contractors are required (under a penalty not exceeding Rs. 25) to invariably send with each supply a memorandum or order note, duly signed showing the number or quantity tendered for acceptance; also to sign and return within a week of payment by cheque, cash order or remittance transfer receipts, all remittance bills forwarded by the Superintendent for the purpose. Defaults in compliance with any suggested short payments may be referred to the Superintendent separately but are not to be made a cause for delay or refusal to sign.

11. In addition to any price that may be recoverable from contractors the amount of purchase ordered elsewhere by future, explicit or implied on their part to supply according to the terms of their agreements a fine not exceeding Rs. 25 may be levied at the discretion of the Superintendent for each and every such case of default. For repeated infringement of the stipulations of the contract or for other justifiable reasons he may also annul or rescind all orders receivable by the jail in consequence of the non-compliance with the security furnished by the contractors or other money due to them, and, in the event of any refusal, by legal means, if so advised.

12. All payments found to enter in excess of the respective percentages permitted in the schedule will have to be made good by the contractors.

13. Further information on any point concerning the conditions can be had from the Jail office.

14. When and the rates offered as an article or by tender have been accepted, lower quotations from others to the Superintendent or to the Inspector-General of Prisons will not be considered.
